Visitor Emergency Information

**In an emergency phone 2222
from any phone within the campus
or 0438 441 422**

Visitors are required to comply with all instructions given by authorised staff for the protection of their health and safety whilst on UoM Commercial premises.

Visitor Emergency Information

The building has an automated fire alarm system.
If something sets the alarm off you will hear two different alarm tones.

On hearing the ALERT ALARM:

The first alert tone “Beep, Beep, Beep” indicates that something is wrong.

When you hear this sound, stand by and await further instructions.

DO NOT EVACUATE.

On hearing the EVACUATION ALARM:

The second alert tone “Whoop, Whoop, Whoop” indicates a building evacuation is necessary.

*If applicable...*comply with all instructions given by Building Wardens.

Leave the building via the nearest safe emergency **EXIT**.

Proceed to the building’s Emergency Assembly Area at the bottom of Robinson Road and remain there until otherwise advised.

Visitor Emergency Information

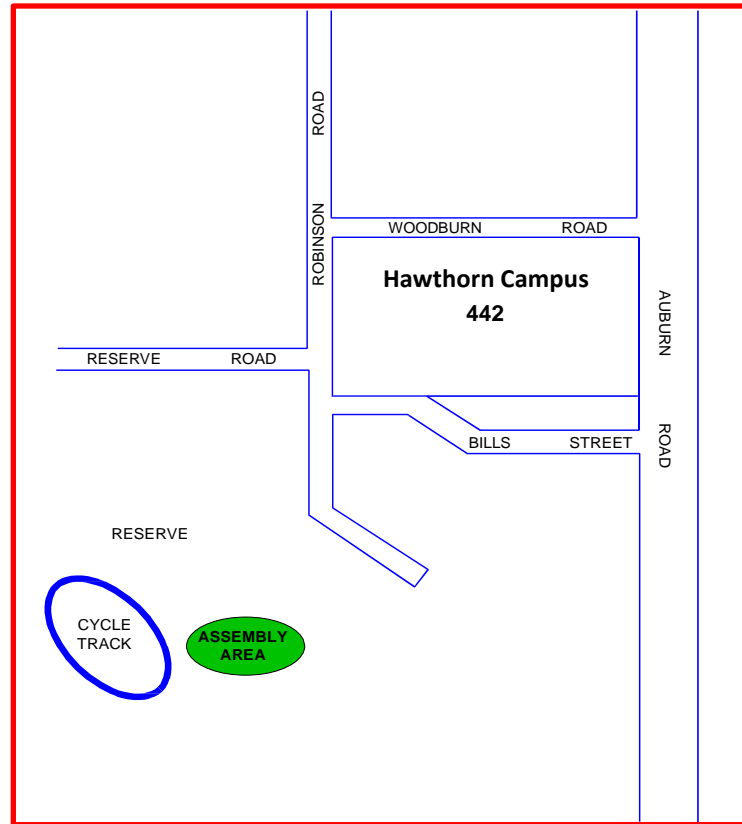

All EMERGENCY EXITS are indicated by the green EXIT sign.
Remember your nearest EXIT may not be the SAFEST EXIT.
That is why it is important to listen to instructions.
